عبدالرحمن بن أحمد آل ثاني
رئيس مجلس الإدارة

Message

Since its inception, Al Wajba

Establishment has been the trusted partner of the major players in the Construction, Industrial, Logistics sectors and now in the Eco-Friendly field in the State of Qatar, always on the leading edge of Technological Innovation. Al Wajba Establishment's efforts have been directed towards providing value to its customers the result of which is reflected through the growing sales numbers. In addition to being customer centric, the quality of its service has also ensured a dominant position for Al Wajba Establishment in the Industry.

Hard work and commitment along with experience and expertise has factored in the success of Al Wajba Establishment. Over the years we've grown to offer more products to make our customers profits easier. Our portfolio includes a variety of products, ranging from light construction equipment to heavy vehicles, sand treatment plants and impact crushers.

We focus on customer care; professional and international standards; and offer a complete range of services, including manufacturer approved, trained sales and service personnel.

Think of us as partners in your business growth. We are committed to ensure you are provided with the best in the market in terms of products and service, enabling you to achieve outstanding efficiency in all your operations.

Gerald Cucchiara
General Manager

جيرالد كوكيارا
المدير العام

رسالة

كانت مؤسسة الوجبة منذ تأسيسها ومازالت هي الشريك الموثوق به في قطاعات البناء والصناعة والخدمات اللوجستية والتّن في المجال الصديق للبيئة في دولة قطر، وهي دائماً في الصدارة فيما يختص باستخدام أحدث التكنولوجيات والأداسيب في مجال الإنشاء والتعمير. توجه مؤسسة الوجبة مجهوداتها نحو تعظيم قيمة أعمال عملائها، وقد انعكس ذلك بوضوح على تنامي مبيعاتها. وبالإضافة إلى وضع مؤسسة الوجبة احتياجات العملاء في قمة أولوياتها فقد كان لمستوى جودة منتجاتها وخدماتها أبلغ الأثر في تحقيق المكانة المتقدمة التي تتمتع بها في قطر في قطاع الإنشاءات.

كان العمل الدؤوب والالتزام إلى جانب الخبرة والمهنية بعضاً من العوامل التي ساهمت في نجاح مؤسسة الوجبة. فقد ظللنا ننمو مع مرور السنين حتى استطعنا أن نقدم منتجات وخدمات أكثر عدداً وأعلى قيمة، وأن نجعل عملائنا يحققون الأرباح بطريقة أسهل. تشمل مجالات عملنا تشكيلة متنوعة من المنتجات والخدمات تبدأ من معدات الإنشاء الخفيفة إلى السيارات الثقيلة ومصانع معالجة الرمال والكسارات.

نحن نركز على احتياجات العملاء ومستويات الأداء العالمية ونوفر تشكيلة كاملة من الخدمات بما في ذلك الكوادر المدربة التي تحمل إجازات معتمدة في مجال المبيعات والخدمات من الشركات المصنعة.

يمكنك أن تعتبرنا شركاء لك في سعيك إلى تحقيق النمو في أعمالك. نحن ملتزمون بأن نضمن لك أن تحصل على أفضل وأحدث ما توفّره الأسواق من حيث جودة المنتجات والخدمات حتى تتمكن من تحقيق أعلى مستوى من الكفاءة في جميع العمليات التي تقوم بها.

Vision & Values

Our goal is to be recognised by our customers as a company with excellent service standards.

We are committed to focus on the customers' needs by using our expertise, energy and passion to provide reliable products and services of superior quality at competitive prices, thereby creating value for our customers.

الرؤية والقيم

هدفنا هو أن نحظى باعتراف عملائنا بأننا الشركة التي تقدم لهم خدمات ممتازة وعالية الجودة.

نحن ملتزمون بوضع احتياجات العملاء على رأس أولوياتنا مستخدمين في ذلك خبراتنا ومعارفنا وطاقاتنا ورغبتنا الصادقة في توفير منتجات وخدمات عالية الجودة ويعتمد عليها بأسعار تنافسية حتى نضيف إلى قيمة أعمال عملائنا.

About Us

Since its establishment in 1996 by Sheikh Abdul Rahman Bin Ahmed Al Thani, entrepreneurship and rigorous customer focus has enabled Al Wajba Establishment to grow its business by responding to the changing needs of the customers and society in which it operates.

Al Wajba Establishment serves as a one stop total solution provider for construction and other industries in Qatar, with supply and service of heavy vehicles and machinery including trucks, buses, construction machinery, air compressors, diesel generators and material handling equipment. The company offers customers an unrivalled choice of the best brands with exceptional standards of customer service and after sales support.

Al Wajba Establishment is the exclusive distributor for Mitsubishi Fuso medium/heavy range of commercial vehicles and buses and internationally renowned industry heavyweights: Belle, Elgi, ATS Elgi, Multiquip, Terex Finley, Triax, Samurai, Hotsy, Paclite and Unic.

The company caters to a diverse range of industries and commercial undertakings covering the transportation, construction, oil & gas, manufacturing, warehousing, government sector and individuals.

Al Wajba Establishment's showroom at the Salwah Industrial Area handles the Mitsubishi Fuso and construction equipment brands—a separate facility processes after-sales orders.

Over a short span of time, with excellent service and parts back-up, and providing an exceptionally high standard of product support services through skilled and dedicated teams across all of its operations Al Wajba Establishment gained a reputation as one of the best service providers achieving maximum customer satisfaction in terms of service and products.

Al Wajba Establishment is committed to providing outstanding service levels to its customers and to maintaining quality, safety and environmental standards at the highest possible levels.

من نحن

منذ أن قام الشيخ عبد الرحمن بن أحمد آل ثاني بإنشائها في عام ١٩٩٦ استطاعت مؤسسة الوجبة أن تنمو وتتوسع في أعمالها بفضل ماثبتها وتركيزها المخلص والدؤوب على خدمة عملائها ومواكبتها للصيقة للتغيرات التي تحدث في تطلعات عملائها واحتياجات المجتمع الذي تعمل به.

تعمل مؤسسة الوجبة كمركز واحد لتقديم جميع الحلول في مجال البناء والتعمير والصناعات الأخرى في قطر وذلك عن طريق توفير وصيانة السيارات والمعدات الثقيلة بما في ذلك الشاحنات والحافلات ومعدات الإنشاء وضغطات الهواء ومولدات الديزل ومعدات المناولة المواد. فإن الشركة تمنح عملائها فرصا غير مسبقة للاختيار من بين أفضل العلامات العالمية مع مستوى فريد من خدمة العملاء ودعم متميز لخدمات ما بعد البيع.

مؤسسة الوجبة هي الموزع الوحيد لسيارات وحافلات ميتسوبيشي فوزو التجارية المتوسطة والثقيلة إلى جانب المعدات الثقيلة العالمية المعروفة مثل بيلي، إلجي، إي تي إس إلجي، ملتيكويب، تريكس فينلي، ترايكس، ساموراي، هوتسي، باكلايت ويونيك.

تقدم الشركة خدماتها لقطاعات متنوعة من الصناعات والأعمال التجارية تشمل النقل والمواصلات والبناء والتعمير والبتروال والغاز والصناعات التحويلية والتخزين والقطاع الحكومي والأفراد.

يقدم معرض مؤسسة الوجبة في المنطقة الصناعية على طريق سلوى خدماته الخاصة بسيارات متش وبيشي فوزو ومعدات البناء. وهناك موقع آخر منفصل لخدمات ما بعد البيع.

حققت مؤسسة الوجبة سمعة طيبة واسعة الانتشار في فترة قصيرة من الزمن كواحدة من أفضل شركات التوريد والخدمات التي استطاعت أن تحقق أقصى قدر من رضا العملاء في مجال خدماتها ومنتجاتها وذلك بفضل جودة أدائها وتوفير قطع الغيار وتقديم خدمات دعم استثنائية من خلال فرق من الكوادر المتخصصة في جميع قطاعات عملياتها.

مؤسسة الوجبة ملتزمة بتقديم خدمات متميزة لعملائها وبتلبية أعلى مستوى ممكن من متطلبات الجودة والسلامة وحماية البيئة.

FA / FI

Japan's Mitsubishi Fuso is one of the world's leading truck and bus brands, and has a significant presence in Asia and the Middle East.

The Mitsubishi Fuso range of commercial vehicles is synonymous with durability, value for money, ease of maintenance and safety.

Company shuttles that ferry employees to and from the office/work site...school buses that pick up and drop children home...trucks that transport everything from building materials to livestock to perishable goods...Mitsubishi Fuso vehicles are at the heart of society and business across the world.

Parts availability is a fundamental concern of truck and bus owners. Mitsubishi Fuso's comprehensive service and parts system incorporates advanced logistics to ensure parts availability at all times.

FA & FI:

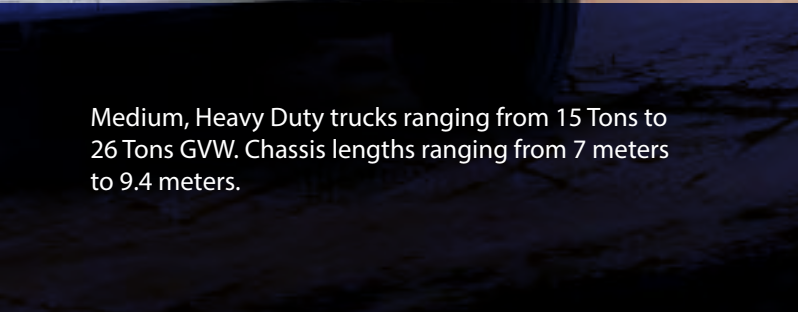

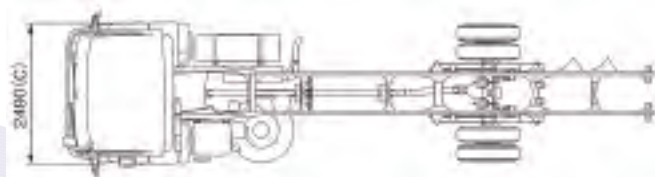

Medium Duty Trucks ranging from 8 Tons to 12 Tons GVW.
Chassis lengths ranging from 6.3 meters to 6.5 meters.

To those who own them, Mitsubishi Fuso vehicles make exceptional business sense.

All Mitsubishi Fuso trucks and buses are manufactured using the 11-stage Fuso Product Development system, which is based on Daimler's stringent world-class quality control standards.

FJ

Medium, Heavy Duty trucks ranging from 15 Tons to 26 Tons GVW. Chassis lengths ranging from 7 meters to 9.4 meters.

BELLE
LIGHT
CONSTRUCTION
EQUIPMENT

Necessity is the mother of invention. Necessity also gave birth to the Belle Group of Companies.

Frustrated by the unavailability of a small cement mixer for use in the construction of his house, Doug Blackhurst designed the Mini Mixer and went on to establish the Belle Group of Companies in Derbyshire, UK.

That was in 1950s.

Today, the Altrad Belle is one of the major equipment suppliers to the construction markets worldwide. It Designs, manufactures and markets over 100 different types of machinery, including mixers, vibrating screeds, power trowels, compactors, drum rollers, rammers, saws and hydraulically powered equipment.

COMPACTING EQUIPMENT

- Forward Plate Compactor
- Reversible Plate Compactor
- Rammers
- Walk-Behind Roller

MIXING EQUIPMENT

- MINIMIX
- HEAVY DUTY MIXER

CONCRETING EQUIPMENT

- Megavib
- Electric Poker
- High-Frequency Converter
- Mechanical Poker
- Pneumatic Poker
- Easy Screed Single Beam
- Stream Screed
- Porto Screed
- Roller Striker
- Pro Screed
- Trowel
- Edging Trowel

CUTTING EQUIPMENT

- Floor Saw 350 mm
- Ranger Saw
- Floor Saw 600 mm
- Minipave
- Maxipave
- Bench Saw Electric
- Masonry Bench Saw
- Diamond Blade

PUMPING EQUIPMENT

- Submersible Pump

HYDRAULICALLY OPERATED EQUIPMENT
