Company Profile

Al-Hattab Security Services is an ISO 9001:2015 & ISO 14001:2015 certified company, recognised by the Chamber of Commerce in the year 2017 subsequent to the approval from Ministry of Interior. The company was formed with an aim to be the most trusted and receptive security services provider of the country. The management of Al-Hattab Security Services (AHSS) comprises of experienced security professionals from Military and Private security background. We believe in developing authentic business relationship and honest partnership with the people we deal with and are ever striving hard to stand up to satisfaction level of our partners.

The AHSS believes that focused training to our security staff is one of the greatest factor in delivering effective services up to the satisfaction level of our clients. We train and prepare our guards to react promptly and effectively in any situation/emergency keeping in view not to hamper clients operations.

The AHSS lay great importance in Quality and is present in the market with the belief that professional service and the ability to carry out task in a required time frame keeping in mind the clients need for the smooth and cost effective business operation are the key factors of success. AHSS is supplying trained Security and Safety Manpower for Retail Sector, Construction Sites, Residential Sites, Schools & Colleges, Warehouses, and Events.

Our Vision and Mission

Our Vision

Our Vision is to become the World's premier Security Services organization by offering exceptional values to our clients through highest level of professionalism, service response, & quality workmanship & establishing ourselves as the security services provider of choice for Qatar and beyond.

Our Mission

The mission of Al-Hattab Security Services is to provide the reliable and effective security and safety services to our clients in tandem with maximized cost efficiencies and flawless services.

Alliance

Alliance

Collaboration is central to our philosophy and we believe in being one team. For us collaboration is more than a workable solution. It is a foundation upon which a healthy working environment can be built. We lay emphasis on team work and value every member's contribution. We are certain that only with true integration we can achieve great things. We work together to achieve more collectively and creates strong sustainable working relationships.

Transparency and accountability: These are not just words but represent our commitment to our clients. We earn and instil trust by being transparent and accountable at all levels. We believe in doing what we say and being clear in business strategies. We lead by example and hold ourselves accountable for whatever we do. We do whatever is right, no matter the repercussions.

Our pursuit in **excellence** is relentless. We are committed to high standards and achieving outstanding performance. We are driven by pursuit of knowledge and devoted to constant improvements. We are undeterred by challenges and we have unwavering sight of the future. We are never by being just good and continually seek ways to improve ourselves to become the best. We want to be the yardstick of quality in Security and Safety services.

Integrity is not something that we follow but embody. We believe in consistent display of highest standard of character and ethics in every facet of our lives, to live a positive and lasting impact. We exhibit honesty and promote ethical conduct at all times and believe in honouring our commitments, despite the effects.

Our Ethos Quality, Commitment

Our Ethos

Since its inception our ethos is what guides our actions. In fact, our values embody our philosophy and our core values are our company's cornerstone.
